CARLOS ANNACONDIA

Almas, almas

Promises to be a textbook for the Church to follow.

The main thread through this title is a call for the Church to become actively involved in worldwide evangelism, and to respond to the call of God in their life. Annacondia presents his book from the perspective that although we are now dead to sins and bondage, God has ordained us to become not only free for our personal benefits, but to help others also experience God's cleansing grace during these last days. Annacondia's focus for this book is not only inspirational for current active Christians in the Church, but motivational so that everyone may have an active participation in the coming great harvest of souls before the Lord's return.

JOHN C. MAXWELL

Relaciones 101

A great compact series for all who work with people.

Using some of the best-selling works of John C. Maxwell, *Relationships 101* captivates the value and importance of building positive relationships. By addressing issues like how to connect with other people, how to encourage those around you, and how to become a better listener, *Relationships 101* is the perfect tool for anyone who desires to improve his or her relationships with others.

MARCOS WITT

Liderazgo al extremo

A great tool for all youth leaders who desire to make leaders of their youth.

In his book *Liderazgo al extremo* (*Extreme Leadership*) author Marcos Witt, Hispanic Pastor of Lakewood Church in Houston, Texas, helps to establish in young people their call in life and the importance of leadership as others watch their steps and journey through life. The vital message is that we all have leadership potential, and then the question is asked: Do you want to lead? In this

book the author consults the top leaders in the Hispanic Christian market to help bring answers to the critical questions that young people are asking, making this book a great tool for youth pastors and parents alike.

KEN ANDERSON

Dónde Hallarlo en la Biblia - manual compacto

The ultimate A-to-Z resource.

You can find it in the Bible... if you know where to look. If you want to know what the Bible says about topics like computers, nutrition, or psychology, you may not find them referenced in other concordances. But this contemporary topical resource takes up where others leave off without the fancy theological language.

He's Back! Yes...just when you thought he'd turned into a butterfly and flown off into the sunset, our little green friend Hermie returns with some tales of his "pre-butterfly" days. In this prequel to Max Lucado's *Hermie: A Common Caterpillar*, Hermie introduces us to Flo, a sweet young fly who learns an important lesson about telling the truth and nothing but the truth!

Drawing from Proverbs 19:5, which says no one gets away with a lie, *Flo: the Lyin' Fly* sets out to teach children, through incredibly humorous situations, entertaining songs, and cleverly written dialogue, the importance of telling the truth no matter what the circumstance. In addition to not fabricating lies, children will be challenged to not "cry wolf," or even embellish the truth just a little to make themselves look better.
